## Gather in the Garden:

 Join us on Tuesdays for garden work days at

Dear Friends of St. Luke's,

Thank you so much for the peace lily plant you sent to me this week. As many of you know, my sister-in-law, Kathleen Buckley died after a long battle with pancreatic cancer. She was on our prayer list for almost four years, and I know that your prayers and wishes sustained her throughout her illness. She was amazingly brave and genuinely grateful for every moment with those she loved. She had a strong faith and knew that she would be reunited with her family. Your prayers eased her transition.

I am so blessed to be a part of a congregation that, without hesitation, reaches out to help in times of sorrow or need. Thank you for your enduring support and love.

With deepest gratitude,  
Nita

To my dear St. Luke's family,  
what a wonderful surprise to receive the most beautiful bouquet of fresh roses. I was taught that fresh flowers are a waste of money so you bring a potted plant. Many potted plants keep giving and some, e.g. Easter lily, poinsettia only for a modest period of time. Fresh cut flowers, e.g. roses, etc. last for a short period but to breath in the aroma and the essence of a rose or a lily is to feel the presence of Mother nature. I love that you choose fresh roses to aid me in my journey towards recovery. Blessings to all,  
*Babs*

**St. Luke's fielded an eager team** of 10 parishioners for the annual 4 our Freedom 5k, which supports local Veterans and active-duty military organizations. We even had a celebrity in Hortense Cory as she was escorted across the finish line! Thanks to all who supported us!

**Yard Sale:** Yes, the yard sale is looming in the near future-Saturday, June 15 8:00-1:00. Ashby will need help on Saturday morning at 6:30 AM moving tables and sale items out to the front yard. After that volunteers to help sell the items and just mingle with the customers is a must. Running the "cash box" is crucial so please consider taking on that important task. Lastly, a few people with large cars or trucks to take the leftover items to the Goodwill will be awesome.

You can leave sale items at the church anytime the week prior to the 15th. There will be stickers in the parish hall so that you can price your own items if you have not already done so. Please price everything except books. Price high. Folks always like it when we "reduce" the price. We could also use a bunch of those plastic shopping bags you never know what to do with.

Lastly, the real joy of the yard sale is simply mingling with our neighbors who stop by to shop. The church is not open to the general public very often so having parishioners stop by to welcome others and to "show off" our historical building is a treat for all. I hope you will join us in some capacity on that day.

Thanks for any level of participation you can give.
