COVID Precautions:

The Diocese of Virginia has decided that individual churches will make decisions regarding COVID safeguards (e.g., mask requirements) to individual churches and parishes. St. Luke's Vestry has in turn determined, that in accordance with CDC guidelines, mask determinations during services will be made based on Albermarle County assessment of COVID infections. If high (orange) masks will be required.

Tom Goss Visitation

This past Sunday, Tom Pitz shared that Tom Goss, our Senior Warden, would really benefit from more visitation by our congregation. Tom G is continuing his recovery at the Albermarle Health & Rehabilitation Center, 1540 Founders Place, Charlottesville (opposite Monticello High School).

The concern is that for our St. Luke's Parishioners we might overwhelm Tom. So, we've added a little sign up sheet just to help coordinate our efforts. It's on the same signup location as our Volunteer Signup Sheet ... just below it. The goal is not to fill in every time slot, but simply to facilitate our joint efforts assuring Tom that he is in our thoughts and prayers and doing so by our presence.

Here's the link.

Volunteer Sign up Sheet

The vestry recommends that members of the congregation who wish to serve in the various roles during Sunday services fill out the online sign up sheet (the link is below) two to four weeks in advance. This will help us to plan ahead on a monthly basis and avoid confusion on the day of the service. For example...If you want to be a greeter for the second Sunday in February and a reader during the fourth Sunday - sign up during the month of January for both of these activities. We hope that this process will clarify who is volunteering and encourage more members of our congregation to participate. Thank you for your consideration.
